"You keep the client. *We do the work!*"™

- Produce your construction documents at far less cost, without overhead! You keep the difference!
- All work directly supervised by a Licensed Architect, member of AIA and NCARB.
- We match your office production standards and sheet setup for a seamless end product.
- Quick turn around at much lower cost.
- With a large workforce supporting you more time can be spent landing new projects.
- Bilingual: English/Spanish.
- Visit us @ www.domini-cad.com

Domini-CAD®

Downsizing? Need a backup?

We are your solution.

- In this ever changing unstable economy you can rely on quality work ***without*** the high cost of employee benefits and training.
- Why rehire if the workload increases? We have a full staff ready to produce your work – ***at a far lower cost to you!***
- In this competitive market we give you the low bid ***advantage.***
